DATA SHEET
Scrub Sinks

Model : SK61.10 - Single / SK61.20 - Double

- Thermostatic mixing valve for hot and cold water
- Automatic flow control (water, disinfectant, soap) at each station, with all coming from the same faucet
- A drawer located at the front of the handwashing unit
- High surface quality, easy cleaning, and antibacterial properties of the sink thanks to Corian
- Adjustable flow times over time
- Splash-resistant sink design

MATERIAL SPECIFICATIONS

Body Material	t:1mm stainless plate
Sink Material	12 mm Corian
Knee Contact Part	12 mm Corian

ELECTRICAL FEATURES

Input Voltage	24 V / 50-60 Hz
Electrical Protection Class	Class I
